OBJECTIVE:

Motivated B.Tech Information Technology student with strong fundamentals in **Java,JEE,JSP**, and **MySQL**. Seeking an entry-level software developer role to apply backend development skills, build scalable applications and grow in a collaborative engineering environment.

TECHNICAL SKILLS:

Programming: Java, C, Python

FrontEnd: HTML, CSS, JS

Database: MySQL

Tools: Eclipse IDE, VS Code, Postman

CONCEPTS: Object-Oriented Programming(OOP),CRUD Operations, MVC, JEE, JSP, JDBC, Servlets.

EXPERIENCE:

Java Full Stack Intern – AICTE

Apr 2025- Jun 2025

- Completed hands-on training in **JAVA, JEE, JSP, JDBC, MYSQL**, and web technologies.
- Developed dynamic web applications using **JSP AND SERVLETS** following MVC architecture.
- Integrated frontend with backend using **JSP** to render dynamic data.
- Handled basic exception scenarios and implemented input validation.

PROJECTS:

1. Online Food Ordering Web Application: Technologies:

Java, JEE, JSP, JDBC, MySQL.

- Developed a full-stack food ordering web application similar to Swiggy/Zomato.
- Stored user, menu, and order details in MySQL database.
- Handled form validation and user inputs using JavaScript.
- Implemented cart functionality with add/remove item features.

2.Legal Information Access Using RAG & GenAI:

Technologies: Python, RAG, LLM, Vector Database.

- Developed an AI-powered Legal Information Access System using RAG and Generative AI.
- Stored, indexed, and managed legal documents using MongoDB for efficient information retrieval.
- Reduced LLM hallucinations by grounding responses in retrieved legal documents.
- Improved legal information retrieval accuracy using vector embeddings and similarity-based search

3.Student Management System:

Technologies: Java,JSP,MySql,JDBC.

- Developed a web-based Student Management System implementing CRUD operations for efficient student management.
- Built a dynamic user interface using **JSP** and **Servlets** following the MVC architecture.
- Enabling features such as search by ID and sorting by CGPA, Name and ID.

EDUCATION:

B.Tech in Information Technology

2022-2026
